D.O. Letter No.146/43-44 dated 6th July 1943, from the Superintendent, Government Soap Factory, Bangalore, to the A.R.P. Officer, Bangalore City.

We have been making use of the diessel lorry ever since the motor van belonging to the Govt. Soap Factory was placed at your disposal in connection with the A.R.P. work. We have to supply Government Soap Factory products and Industrial & Testing Laboratory medicines to several sub-dealers in places outside Bangalore. Owing to restriction in railway traffic, we have been experiencing considerable difficulties. The diessel lorry has gone out of order and the spare parts required for effecting repairs are not available. I am therefore directed by the Government Director, Industrial Concerns, Bangalore, to request you kindly to return the motor van to the Government Soap Factory at an early date.

Thanking you in anticipation.
